

Trustee for Strategy Sought

West Cheshire Foodbank has committed to becoming a Pathfinder Foodbank working alongside Trussell Trust and food banks across the UK to conduct an extensive piece of strategic planning which will help to design a framework where the whole Trussell Trust network of food banks can see the possibility of stopping or even reversing the increase in food bank use, working towards a future where food banks are no longer needed.

It currently seeks a suitable person to join the Trustee Board to provide leadership and direction for West Cheshire Foodbank's leadership team and Trustee Board in the development of West Cheshire Foodbank's strategic plan and ensure that all activities undertaken by the food bank remain in line with West Cheshire Foodbank's charitable objectives and the vision and values of the Trussell Trust.

In particular, the Trustee for Strategy will liaise with the Pathfinder Strategic Lead for whom a recruitment exercise is currently under way.

The person appointed should have demonstrable experience of strategic thinking and implementation, preferably but not necessarily in the charitable sector.

The Trustee Board currently meets approximately ten times a year. The post is voluntary although necessary expenses can be paid.

West Cheshire Foodbank is a CIO so all Trustees must be eligible to be a Charity Trustee (see <https://www.gov.uk/guidance/charity-trustee-whats-involved>) and are appointed for three years in the first instance.
